The Deputy Commr, Kadur

Forwards the applications of seven Associations seeking enfranchisement to the Dt. Board with his recommendations in respect of each of them

1) The Deputy Commr has recommended that the following Associations may be given enfranchisement

1 The Muslim Association, Tarikere

2 The North Mysore Indian Planters Association, Chickmagalur

3 The Mysore Planters' Association (European) Balehole

4 The Malnad Land Holders' Association, Koppa

5 Law Association, Chickmagalur.

(Vide last column of Flag A Statement.)

2) Under the existing Constitution there are four members representing

1 The holders of alienated villages,

2 The North Mysore Planters' Association

3 The Malnad Land holders' Association

4 The North Mysore Indian Planters Association

5 The Anjuman-e-Islamia, Chickmagalur

No representation is suggested for the holders of alienated villages. The Anjumane-Islamia even though it has applied has not been recommended

but the Muslim Association of Lawsuit has not recommended. The other associations have been recommended. To make up the number the Law Association, Chidambaram is proposed as the Court has applied for franchise.

3) As regards the qualification of these associations, They have all been enumerated by the Secretary in the Statement May 2. The North Arcot Indian Planters' Association, the Upper Planters' Association & the Law Association, have all of them less than 100 members on the roll they have to be exempted from the operation of Rule 4(b)

4) As regards their qualification to represent interests referred to in rule (3) 2. the Secretary seems to feel a doubt regarding the Muslim Association. This Association has for its aim the moral, religious, secular, technical Commercial & educational advancement of Musalmans in general. Their activities are believed to be on

The lines laid down in the Secretary of State's memorandum and ways noted at flag W. Mr Scott at Chittagong has forwarded proposals for the starting of Co-operative Societies on the lines suggested in the memorandum. His scheme may perhaps be confirmed.

5) In para 1 of the letter noted the Secretary Census says "except the Law Association of Chittagong the remaining four out of the five recommended are being opened on the present Board". Mr Sayeed Sadamia is not known out of those recommended. The Muslim Association of Faridpur has been recommended. This is not on the existing Board. There may perhaps be some mistake. If approved this will be enquired into and for orders with draft

I think that the franchise given to these associations should be continued without interruption as heretofore. The Secretaries of these Associations have now been asked to get their respective Associations registered immediately. I would suggest that if this is done

1. The Muslim Association, Tarikere.
2. The Mysore Planters' Association, Chickmagalur.
